

HH-172/B – TÓPICOS EM TEORIA DA HISTÓRIA I

créditos: 08

Prof. Dr. Cláudio Henrique de Moraes Batalha – matr. 16.511-5

4^a Feira - 09:00h às 12:00h

EMENTA

A abordagem comparativa da história tem sido um procedimento clássico da história, particularmente caro a Marc Bloch, que hoje figura entre as preocupações presentes no trabalho dos mais variados historiadores. O recurso ao método comparativo ao apontar similaridades e diferenças entre diversas experiências remete inevitavelmente à discussão dos paradigmas gerais e das especificidades.

PROGRAMA

1. A história comparativa: Marc Bloch e depois
2. O problema do paradigma único e suas exceções
3. O específico e o geral na análise historiográfica
